General Manager's Message

By Chris Brosius, GM & PGA Professional

August gave us really good weather conditions for golf and outside activities. I hope everyone had a chance to get out and swing the clubs. Please let friends and family know that we are available for a round of golf, lunch, dinner or a golf lesson. We look forward to giving them a great experience.

Golf Course

The golf course held up under tough weather conditions in June and July. People are asking why drive the carts in the rough only? Cart traffic does a lot of damage when short bent grass is already stressed due to hot/wet weather conditions. Keeping carts off fairways has allowed beautiful playing conditions all summer long. Jon has been a big part of the great playing conditions, so please thank him for all his hard work. The greens are now rolling at a good pace. As the weather cools down at night we can lower the cut and get them rolling even smoother and faster. Please remember to follow the cart rules to allow everyone the best playing experience possible.

Club House

The website is now built and we are updating it daily. You are able to view the newsletter, make tee times, view your statement and much more. If you are having problems getting into the member portal, please let me know. We have been able to access the Facebook page, so visit Maple Dale Country Club's Facebook page for up to date information. Comcast/Verizon were doing work in the area and disconnected our phone system and internet for 3 days. So, if you tried calling and there was no answer, that is why, but they are now working and we look forward to hearing from you.

Dining Room

The September weekly dining specials **Wednesday Pasta night, Thursday Burger Night, Friday Prime Rib night and Saturday are Fish night**. Every Wednesday night there is a "happy hour" from 4pm-6pm. Drafts and selected wines will be \$2 off and selected appetizers will be \$6. Also, come out and enjoy football on the weekends with the "happy hour" pricing. Labor Day Monday, September 29th the dining room will be open from 11:00am to 3:00pm. Please review special menu for Labor Day on front page. There will be no Sunday Brunch in September. We have had very low turnout and will revisit brunch options in the fall/winter months.

Golf

The Couples Championship started the month off and we had a beautiful day. We had 16 couples test marriage in the divorce open with a fun format. Congratulations to the winners and thanks to all the members that came out for a fun day of golf. The Senior Championship was held in the middle of the month. It was raining at the start but weather did not keep everyone from playing. Thanks to everyone that came out to play and compete. The Labor Day Tournament and Club Championship are in September, so get ready for the best weather of the year and come out and join in on the fun. Please continue to sign up for golf events on the sheets as you walk into the golf shop.

Membership - Consistency - Family

I can't thank the membership enough for all your continued support!

Superintendent's Message

By Jon Bryson, GCS

First, I would like to thank the membership by following the cart rules of rough only. I know this a little tougher by having to walk more. It has really paid off and our fairways are in pretty good condition. This summer has been a tough one with the weather conditions. A lot of dry, hot days, then a lot of rain in a short period of time. We have been water in dry spots for 5-minute sessions to cool the top of the grass that is stressed. Hopefully, we are now going to get the nice fall days we all love. You will see the greens rolling a little faster with the cooler temperatures allowing us to roll and cut them lower. Please continue to check with the golf shop on the rules for the day.

Thanks, and enjoy golfing!

Adopt a Hole!

I would like to try a new procedure at MDCC. If golfing members would take ownership of a couple holes out on the golf course while playing, it would really help out. If you would like to volunteer, please see below which holes are assigned to you according to your **last name**. Let's beautify our course by fixing extra ball marks and divots. Thank you in advance.
