General Manager's Message

By Chris Brosius, GM & PGA Professional

September was another great weather month. I hope everyone had a chance to get out and swing the clubs. As we look forward to the fall season, there is still a lot of great golf yet to be played.

Golf Course

The golf course is in fantastic shape and the greens are really fast. Here is a tip, be sure to “**stay below the hole**”. Please remember to follow the cart rules to allow everyone the best playing experience possible. As we go into the fall, Jon has slit seeded around the greens and tees so we have consistent lies when chipping without bare spots moving into the 2025 golf season.

Club House

Also, remember the holiday season is around the corner. We are now taking reservations for Thanksgiving. We are excepting reservations until **November 20th**. If you would like to book a room for a holiday party please let us know as soon as possible as slots are filling up fast. Contact Randee and she will be happy to help with your party or event.

Dining Room

The October weekly dining specials are **Wednesday Pasta night, Thursday Burger Night, Friday Prime Rib night and Saturday Fish night**. Don't forget about our happy hour every Wednesday night from 4pm-6pm. Drafts and selected wines will be \$2 off and select appetizers will be \$6. Also, come out and enjoy football on the weekends with the “happy hour” pricing from 12:00pm to 4:00pm. **Music Bingo** will be held on Saturday 12th at 5:00 pm.

Golf

The Labor Day Tournament started the month off and we had a beautiful day. We had 74 players. Congratulations to the winners and thanks to all the members who came out for a fun day of golf. The Club Championship was held at the end of the month. Congratulations to David Vannewkirk and Christine Fox for winning the Men's and Women's divisions. Thanks to everyone who came out to play and compete. Couples golf is now over for the season but thanks to everyone that came out on Fridays and enjoyed golf and dinner. Thursday League is now complete for the 2024 season. We had 28 players weekly for a great evening event. Practice up and I will see you next spring. The last event of the season is the Turkey Shoot on Saturday, November 9th at 10:00am. Come out and enjoy a golf course layout like never before.

Membership - Consistency - Family

I can't thank the membership enough for all your continued support!

Superintendent's Message

By Jon Bryson, GCS

We have been working on split seeding around teeing areas and greens. You will see the grass coming up as we have finally gotten some well needed rain. Also, we reseeded hole #7 with rye grass to take over for the winter time when the Bermuda goes dormant. It has come in very nicely and you will have better playing conditions throughout the winter. We are also trying different treatment on hole #2 and hole #11 to see which path we will take in the next years to come to provide the best playing conditions possible. Thanks, and enjoy golfing!

*******Please be aware of golf course closures*******

Dress code is the same as if you were playing a round of golf.

The PGA Junior All Star Championship was a great weekend! We had 112 junior golfers from New Jersey, Maryland, Virginia, Pennsylvania and Delaware. They all really enjoyed the golf course and loved our facility. **I want to personally thank the membership for opening up the golf course for the juniors and giving them the opportunity to play our facility.** This was a great event for the club.

Employee of the Month

Jeffery Boatwright "JT" started working at MDCC this year. He has stepped up to complete many tasks with the maintenance crew. He is learning more and more everyday under Jon's tutelage. The golf course has been beautiful all year and JT had a lot to do with it. If you see him on the course, please thank him for all his hard work.

THANK YOU!

Adopt a Hole!

I would like to try a new procedure at MDCC. If golfing members would take ownership of a couple holes out on the golf course while playing, it would really help out. If you would like to volunteer, please see below which holes are assigned to you according to your **last name**. Let's beautify our course by fixing extra ball marks and divots. Thank you in advance.

A-D = Holes 1-3

E-H = Holes 4-7

I-L = Holes 8-11

M-P = Holes 12-15

Q-Z = Holes 16-18
